### How risky is it?

The value of the fund can go down as well as up. You could lose money.

One way to gauge risk is to look at how much a fund's returns change over time. This is called "volatility".

In general, funds with higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.

### Risk rating

IA Clarington Investments Inc. has rated the volatility of this fund as **medium**.

Because this is a new fund, the risk rating is only an estimate by IA Clarington Investments Inc. Generally, the rating is based on how much the fund's returns have changed from year to year. It doesn't tell you how volatile the fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.

Low	Low to medium	Medium	Medium to high	High
-----	---------------	--------	----------------	------

For more information about the risk rating and specific risks that can affect the fund's returns, see the section "What are the Risks of Investing in this Fund?" of the fund's simplified prospectus.

### No guarantees

Like most mutual funds this fund doesn't have any guarantees. You may not get back the amount of money you invest.

## ELITE INDEX PLUS CANADIAN EQUITY POOL - SERIES T5 UNITS

## Who is this fund for?

## Investors who:

- Seek the possibility for capital appreciation\*;
- Seek portfolio with a bias toward index ETFs;
- Have medium risk tolerance;
- Plan to invest over the medium to long term.

\*Distributions on this series are expected to include a return of capital, which can erode the value of your investment.

## A word about tax

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan, such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

## How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and sell Series T5 units of the fund. The fees and expenses, including any commissions, can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other funds and investments that may be suitable for you at a lower cost.

## 1. Sales charges

Series T5 units are only available under the Front End Option.

Sales charge option	What you pay		How it works
	in percent (%)	in dollars (\$)	
<b>Front End Option</b>	0% to 5% of the amount you buy	\$0 to \$50 on every \$1,000 you buy	You and your representative decide on the rate. The initial sales charge is deducted from the amount you buy. It goes to your representative's firm as a commission.

## 2. Fund expenses

You don't pay these expenses directly. They affect you because they reduce the fund's returns.

The fund's expenses are made up of the management fee, fixed administration fee, other operating expenses and trading costs. The series' annual management fee is 1.20% and the annual fixed administration fee is 0.10% of the series' value. Because this series is new, its operating expenses and trading costs are not yet available.

## More about the trailing commission

The trailing commission is an ongoing commission. It is paid for as long as you own the fund. It is for the services and advice that your representative and their firm provide to you. IA Clarington Investments Inc. pays the trailing commission to your representative's firm. It is paid from the fund's management fee and is based on the value of your investment. We no longer pay trailing commissions to discount brokers.

Sales charge option	Amount of trailing commission	
	in percent (%)	in dollars (\$)
<b>Front End Option</b>	1.00%	\$10 each year on every \$1,000 invested

## 3. Other fees

You may have to pay other fees when you buy, hold, sell or switch units of the fund.

Fee	What you pay
<b>Short-term trading fee</b>	Up to 2.00% of the value of units you sell or switch within 30 days of buying them. This fee goes to the fund.
<b>Switch fee</b>	Your representative's firm may charge you up to 2.00% of the value of units you switch.
